SPONSORSHIP OPPORTUNITIES

Golf Tournament - Summer 2018

The Environmental Managers Association of BC is a not-for-profit association with a mandate to provide educational experiences that explore existing and emerging environmental issues and to encourage networking amongst members for the generation and exchange of opportunities, information and ideas.

The EMA of BC has been fortunate to receive funding from like-minded sponsors who have been integral to the association in achieving its objectives. The association appreciates and encourages your sponsorship as a way of giving back to the community, our industry, and our colleagues with whom we share our mission.

Thank you from everyone at the EMA of BC for your sponsorship consideration.
